HOST MISSING

Forty Service Club Couples See 'Cal Story'

More than 40 couples made of combined membership of the Lemon Grove Kiwanis and Lions Clubs attended "The California Story" last week.

The group dined at Michael's then made the trip to the show by bus. Only untoward incident was when Henry Goldy, Michael's proprietor and Lion member, missed the bus. He pursued it several hundred feet before succumbing to overdupois. He and his wife caught up the party later at the stadium after having paid $1.50 to park his Cadillac. Bus fare both ways was $1 a couple.

Don Irwin and Dr. Robert Swenson, president of the Kiwanis and Lions Clubs respectively, were in charge of the affair.

Local Republicans To Hear Dr. Lowe, Roscoe Hazard

Lemon Grove Republicans will hear Dr. Frank Lowe and Roscoe Hazard August 20 when local GOPs gather at Junior High School Cafetorium to hear a discussion on "Good, Old Fashioned Republicanism." Dr. Lowe will be speaker.

Dr. Lowe is member of the Republican Central Committee. Hazard is county Republican fund chairman.

The meeting will follow by exactly one week the Republican fund raising dinner at the U. S. Grant Hotel. Dinner tickets are $100 each. Leonard Hall, GOP chairman, will speak at the San Diego affair.

The Lemon Grove meeting will start at 7:30 p.m.

The estate, according to the Washington Star, was valued at $20,000. "One third goes to the widow and two-thirds to each of the children." — Jacksonville (Fla.) Times-Union.

MISS KISH TO MARRY SEPTEMBER FIRST

Miss Katherine Kish, daughter of Mr. and Mrs. John Kish, 7259 San Miguel Street, will marry Cpl. Harol Phillips, USMC, son of Mr. and Mrs. Edwin Phillips of Hoquim, Washington, September 1.

The bride-to-be is a Helix graduate and is now attending a beauty School in San Diego.

The couple will be married in a morning ceremony at the First Congregational Church. Rev. Dan Apra will officiate. Honeymoon in Phoenix will follow.

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

Printed in the "San Diego 75 years ago" column, we find under date line July 30, 1881— The board of supervisors closed their session yesterday and will meet again in October."

We are glad that county business has grown somewhat in the intervening 75 years. We would have a hard time with this column on a meeting of the honorable board once in three months. We remember 55 years ago when the board met only once a month, on the top floor of the present court house, with no elevator. We worked for the city water department then, and hustled down the courthouse from the city hall at Fifth and G Streets and got the warrant for the past month's water bill. The city had taken over the "water works" only a short time before, and the court house lawn, dotted though it was with little yellow patches of grass, and other county properties, made up a sizeable bill each month. It wasn't worms in the lawn that made the yellow spots, either.

Now that we have gotten that reference to the good old days off our recollection, we will tell of some of the happenings at the meeting of the board on July 31, 1956.

All members of the board were present and voting. Chief Administrator Heggland was in his chair at the end of the table, with Public Works Director Jean Vincenz in his regular seat behind Heggland. Dave Bird was in his chair, flanked by two ladies, one on each side. Mrs. Kleckner, clerk of the board, sits at Bird's right behind a huge pile of letters and other documents, and keeps track of the proceedings in shorthand, while the lady on Bird's left takes down all remarks and transcribes them later. I don't see how she gets all the speeches, as some of the speakers mumble. Thirty years ago the clerk of the board did all the taking down, and when it got too heavy a shorthand reporter, Mrs. Buck, took notes. I don't know how many assistants Mrs. Kleckner has, but every two hours a new gal comes in and the other gal goes out in the office and transcribes.

The agenda for July 31 had 17 pages, with more than 150 paragraphs. The force does a fine job of typing and listing the various items for the board's consideration with not a single error in typing. (I'd hate to show 'em my copy before the linotyper sets it.)

Annexation Asked

At 11 a.m. hearings on resolutions of intention to annex unincorporated territory to seven sanitation districts, as recommended by the department of public works and approved by the county boundary commission.

Lakeside, requested by Norman F. Lighthart.

Lemon Grove, requested by Donald I. McKillop and Herbert R. Deaton.

Palm City, Rancho Santa Fe, San Ysidro, Solana Beach, and Vista were the other five areas that got into the act.

All seven were adopted by the board, as requested. Gosh, these lads are all reaching out for more territory. Looks like we will be quite a big city when we go under the borough plan, hey?

And almost every meeting the board is petitioned for inclusion of contiguous territory to different fire protection districts, approved by the boundary commission.

At 11:30 time was reserved for consideration of recommendations of the planning commission relative to a proposal by the State Park Commission for the ultimate boundary lines of the Anza Desert and Borrego State Parks.

Dr. Miller, head of the County Planning Commission, stuck a map up on the electric board and pointed out the various changes in boundaries desired made. Tax Collector Easton had a map of the area showing the different sections, some with taxes all paid up and others with taxes unpaid for some time and uncollectible because there is some question as to ownership and the court has ordered them withheld from assessment. Wilbur said, responding to a query, that he sold some land in that region, at a sale, for $35 an acre, with 110 acres involved in the deal. Not so long ago most of the land in that area was delinquent in tax-paying, but the boys behind the gun finally got enough coin together and redeemed the whole mess and got it back on the rolls, and Wilber

B. J. Trotter Charged With Theft and Burglary

B. J. Trotter, a truck driver, 24, 8108 Broadway, was arrested last week and charged with grand theft by the sheriff's department. He was accused of taking plywood valued at $400 from Trepte Construction Company on the freeway job.

Sgt. Robert Ryan, armed with a search warrant, also located part of the loot from two other Lemon Grove burglaries at Trotter's residence. Jewelry items from Mayfair Market and sporting goods from Erv. Brandon's sporting goods store were recovered. Two counts of burglary was asked by Ryan.

Trotter was booked at county jail and held under $10,000 bail.

First Report Meeting Scheduled By Little League Group

Reports by Lemon Grove's Little League committees will be heard at a meeting in the San Miguel School Auditorium on Tuesday, at 7:30 P.M., according to Mr. William Allen, President.

Chairman of the Field Procurement Committee, Mrs. Paul Lower, assisted by Emmett Marshall, will report on her findings as to the availability of the site of the future Lemon Grove Swimming Pool, for use as a ball field.

Reports will also be made by Finance Chairman, Mrs. Isabelle McCrae, whose committee is investigating ways and means of raising funds for Lemon Grove's future Little League teams.

Lemon Grove residents interested in the formation of a Little League program in Lemon Grove are welcome to attend Tuesday's meeting.

Lions To Sponsor Field For Little League

The Lemon Grove Lions Club will sponsor the development of a Little League Ball Park in Lemon Grove it was announced this week by club president Roy Erwin.

Emmett Marshall and Bud Young were named to a committee to facilitate making the present site for the future community swimming pool into a regulation field.

The swimming pool site is near the corner of Washington and Mt. Vernon.

The VIEW Dimmer

By MAX GOODWIN

A trip to a symphony concert in Balboa Bowl can be a nerve racking affair. The concert is not bad in itself, nor am I attempting to prove it so, but I can make a good case for my point of view, which is presently rather dim.

A concert, to be thoroughly enjoyed, must be attended with a carefree heart, with a mind uncluttered with work-a-day worries. That is why distracting noise and conversation cancels out the pleasure. Remember the child in the seat behind you who kept kicking your seat at the baseball game? Any number of seemingly little things can change the flavor of the evening.

Dinner Out

It was with light hearts we started for the symphony last week. Such an occasion, naturally, calls for dinner out. The waitress smilingly asked if we wished a cocktail. We said no. She returned five minutes later with a menu. "Are you sure you don't want a cocktail?" she said threateningly. For the next fifteen minutes she became as aloof as a politician after election. When she condescended to accept our order it had become so late that dinner became a race instead of a pleasant, leisurely affair.

Enroute to the bowl traffic was fouled up something fierce. There were absolutely no traffic officers on duty in Balboa Park. We inched along the narrow, winding roads muttering to ourself about lack of traffic control.

In the parking lot a young punk motioned us into a position and said something uncouth about my inability to park parallel.

Third Usher

In the Bowl, late because of dinner service and traffic, we applied to the head usher with our tickets.

"Go to the third usher down," he said.

"Your seats are in the center of the middle section," third usher said.

We shuffled across the long narrow row causing some 30 or 40 people to stand as we passed. The seats designated by the usher were occupied. We shuffled to the end of the row. I complained to another usher, a thin man about 15 years of age.

"Let's take a look at your problem," he said condescendingly.

Idiotic

After examining the stubs of our tickets he shook his head and observed that it was no wonder we were having trouble. "Your seats are on the far left," he said in a manner that left no doubt that he thought I was an idiot for following the directions of his brother officer, the usher, third class.

After this little demon guided us to the proper seat, clucking sympathetically at the people we had to crawl over, he left us without a backward glance. I saw him later doing the same thing to some other people. Frankly, I think he had a pact with usher "number three" to see how many times he could make a full row of people in the center section stand while late patrons stomped across their toes.

I did not enjoy the concert. I am not even certain what the concert was about. Every time Conductor Robert Shaw whipped his baton down, or shook his blond head so hard that his hair flopped back and forth like some unseen hand was shaking him, I could only see in my mind's eye my own gnarled hands beating and shaking a semblance of respect and courtesy into a quartet composed of an usher, a waitress, a traffic officer and a parking lot attendant.

Too Many Jobs, Woman Says

When Mrs. Phyllis Denion, 8057 Helm Street, placed a classified advertisement in this newspaper she just leaned back and relaxed . . . but she didn't relax for long.

She had offered to do child care, and ironing . . . or both.

Her phone commenced to ring the day this newspaper was delivered. She listed so many sitting jobs and so much ironing that she solicited us for aid . . . to turn off the calls.

Whether you have a service to offer, an item to sell, a house to rent, or an auto to sell, classified advertising will help you achieve your purpose quickly, inexpensively.

'Horse' Head Shares Program With 'Mare' of Chula Vista

Peter De Graaf and Robert Howell were guest speakers Friday at the Men's Club but the temporary president, Kenneth Barwick, local attorney, was out of town on a case. Nevertheless 26 members drew their feet under the table and a few were fined a quarter, the charge for being absent.

De Graaf is mayor of Chula Vista. "Bob" Howell is a local tax consultant and president of San Diego County Horsemen's Association.

De Graaf, who opposed Dave Bird in the recent contest for Supervisor for the Second District, and now Mayor of the bustling little city nestling near the Mexican border, described his entrance into the political field. Said he was in Europe when the recall of three councilmen was accomplished and when he returned and councilmanic (Trustee) candidates were needed, he was elected as one of the replacements, later chosen as Mayor (President of the Board of Trustees).

Population of Chula Vista 20 years ago was 2500, now 35,000 and increasing weekly. Civic problems have arisen of late, chiefly parking. The ladies who do most of the shopping in that area, won't walk far from their cars, after they find a place to leave it, and merchants with a small store are left without parking room for their customers. As an example, the Bank of America moved to new quarters and the vacancy was filled by three new businesses. Off street parking is being arranged for, and the situation is slowly getting better. Pete said 43 California cities are trying the method, and satisfaction is apparent.

Bob Howell said his main interest in life is HORSES and parades where horses get a chance to do their stuff (prancing). The best Junior Riders in the U. S. are in San Diego County, and 54 went to San Francisco last year and 55 went to New York and placed second in National competition.

Bob said nothing has been done to improve horseback riding conditions in Balboa Park in 5 years, no new trails, tho that is the only section of the city where horses and riders are welcomed.

Stabling for 115 horses is becoming a problem, with Mission Valley becoming a region of million $ hotels.

Bob told of the trials of horsemen at the Rose Parade where the horses and their riders have to wait in the cold and sometimes rain for more than two hours while the parade is forming. "What would a Rose Parade be without horses?"

Referring to the accoutrements, meaning saddles, bridles and trappings, all silver mounted, Bob said his modest outfit cost $10,000 while Roscoe Hazard's was valued at $30,000, besides the horse. It took three days to polish Roscoe's silver ornaments.

Next week's speaker will be Harry Griffen, if Harry's engagements permit, supporting the widening of Broadway. All you boys who have been absent recently better come. It will be an important meeting. Don't miss it. —D.H.

LETTERS TO THE EDITOR

Dear Editor:

On behalf of myself and the parishioners of St. John of the Cross Church, I wish to express my gratitude for your generous cooperation towards our annual Barbecue-Fiesta.

The Barbecue-Fiesta was a huge success, which we attribute largely to the wonderful response from our neighbors and friends.

Thanking you for your generous contribution in the matter of publicity, I am

Very sincerely,
Rt. Rev. Msgr.

Hospital District To Hold Board Elections In November

Homer Streich, treasurer and board member of Grossmont Hospital, who was rejected by voters in the 1954 election, is going to try again to be elected to the office to which he was appointed last year.

He will run, together with two other board members, for three board vacancies. The election is set for November 20th. The other board members who will run for re-election are R. Marvin Jackson and Horace L. Boyd.

Streich was defeated in the 1954 election but elected officials named him treasurer. Last year, Herbert Burrell resigned from the board for the announced purpose of accepting a position as hospital administrator elsewhere in the state. Streich was then appointed until the "next election" which is the one in November.

There are no divisions in the Grossmont Hospital District. All candidates compete from all parts of the district.

Elected officers will serve for a four year term.

It is possible that others may run for the board so far only three listed have indicated their intentions.

Persons desiring to run for office must file petitions with the district at least 65 days prior to the election or by September 15.

The hospital district encompasses more than 700 square miles of territory in East San Diego county and serves such communities as Alpine, Bostonia, Campo, Casa de Oro, Descanso, Dulzura, El Cajon, Fletcher Hills, Grossmont, Jamul, Lakeside, La Mesa, Lemon Grove, Pine Valley, Putrero, Santee and Spring Valley.

High School Excess Tax To Be Reduced, Voted On In Nov.

A budget of $3,447,337 for next school year was adopted this week by the Grossmont Union High School District. District Superintendent Lewis Smith announced Wednesday.

By local property tax $1,363,047 of this amount will be raised. The current budgeted expenditures per pupil increased $30 because of raises previously authorized in salaries of all employees. This reflected an increase from last year's $350 to $380 per pupil this year.

The current operation tax rate will increase from 86c to 95c $1.

An excess tax election will be held concurrently with the general election in November. A 5-year authorization to exceed the 75c limitation by 60c expires in June, 1957. The board voted to limit the authorization to 40c for a 5 year period. This would, if approved by the voters, place a ceiling of $1.15 on current operating levies instead of the $1.35 previously authorized.

The decision to hold the election at the general election in November was made in order to insure a heavier vote than is normal for special elections.

The board also formally approved petition for inclusion in the Helix Irrigation District of the 50 acres of the Mount Miguel Site on Sweetwater Road at a fee of $26,000 or less.

Bids for grading the site will be opened on Tuesday and awarded on Wednesday in order to expedite construction of school by September, 1957.

Dairy Mart Farms was low bidder on milk products to be furnished the three cafeterias operated at El Cajon Valley Grossmont and Helix High School.

Local Cafe Operator Once Big League Pitcher

By BOB TURNBULL

For Edward R. "Doc" Shaw, his 60 years of breathing life has been clear-cut but exciting. Doc, the popular customer, along with his wife of the Lemon Drop Cafe in the Grove Theatre Building, 3434 Imperial Avenue, has been in two wars and has had a lively career in baseball.

Doc made his earthly debut on August 15, 1895 in Michigan. His personal baseball career started at St. Joseph High School in some city of some state when he started chucking from the mound as a southpaw hurler. He helped his team win the championship of Southern Michigan in 1912 when he hurled the "big" game for an 11-1 victory.

Following graduation he pitched for the House of David (the bearded ones) from 1916-17, then in the fall of '17 signed a contract with Fort Wayne of the now outdated Central League. But baseball had to take a side track for Doc, who joined the Navy at that time to play the role of quartermaster aboard the old USS Massachusetts during World War I. After the Navy stint, Doc Kelfield decided to change over to Doc Shaw and that was the start of a beautiful marriage but a different story.

The popular American sport was mulled up in Edward Shaw again, and once more it was "off to the races." Indianapolis of the American Association sent Doc to Decatur for two years until he finally made the majors for the Chicago White Sox. In the spring of '23, the first year up, the Shaw left arm went unexplainably dead. For no sound reason the flinger wouldn't respond to treatments or rest and for Doc it looked as though baseball was to bow out forever.

But such was not the case for a fiery, determined baseball lover. He couldn't beat 'em, so he upped and joined 'em, joined the profession of umpiring after playing ten long years of semi-pro ball. In 1933 he umped his first game in the fruit belt league in Michigan then to the Michigan State College League until 1941 when he enlisted in the U. S. Maritime Service and spent World War II in the South Pacific where he tasted action in the Guam, Saipan area. "Having a freighter torpedoed right out from under you is no way to spend Sunday afternoon," Doc relates, "but we all survived the disaster, and none the worse."

Out of a serviceman's uniform again, back into an ump's outfit. In 1946 Doc umpired in the Far West League (Northern California, Oregon, Nevada), then to the California league, International league of the South West and was even selected to umpire the Gulf Coast League all-star game in June of 1952. The Texas league saw the last of Mr. Shaw in 1953-54 when he retired to become a cafe owner and "hird dog" for the Chicago White Sox. A "hird dog" is a scout on part-time duty.

One interesting item to note is that during the off-season time of winter Doc used to go to Las Vegas where he was sworn in as a deputy sheriff by his close friend who happened to be the sheriff, Glenn Jones.

Doc recalls many weird experiences in his career, such as the usual beefs and one particular incident when one of the balls in his pocket fell into the playing field and in a split second ten balls were flying around the bases making many an out.

For those of you, young or old, interested in baseball or just talking shop Doc Shaw will more than gladly extend you a hand in his experience or what you might benefit in your experience. He's ready to chatter about the favorite American pastime, anytime. — L. G. Camera Foto

Shearer Says Present Tariff Arrangement Is Bad

William K. Shearer, candidate for State Assembly in the 77th District, told the La Mesa Republican Club as it met at Rose Hedge Manor, noon, Friday the 13th: "That the United States should terminate its participation in GATT, General Agreement on Tariffs and Trade, because low tariff concessions made through that agreement are cutting the very floor from under the wages of our working man, the livelihood of our farmers, and the profits of our investors and small business men." Shearer went on to say that GATT is an organization of 35 nations of which the United States is a member. "This international organization holds secret meetings of tariff changes. These reductions are binding regardless of the will of congress, our elected representatives." Shearer said that this issue is of particular interest to San Diego County because of our tuna and citrus industries.

Shearer said that this organization can and has severely harmed these two important industries of our country. Shearer pointed out that "In October of 1950 a case of Japanese tuna sold on the Chicago market at $9.50 while a case of American tuna sold for $14.25, a difference of $4.75. While in Seattle, Washington, a can of imported Japanese tuna sold for 20c and domestic tuna sold for 35c a can, a difference of 15c. The citrus industry also recognizes this danger. Last year the lemon producers made a plea to congress to hold the line on the duty for imported lemon products.

"This is not just a local problem," said Shearer, "you can roam over the face of this nation and find large areas of distress. As a result of lower duties we find butter, imported from European nations and sold in domestic markets. American produced butter is bought by our government and stored. Then you hear from the lips of prominent government officials the threat: to give butter to Russia, or sell it to housewives at half the price the government paid for it. The only way that American butter producers can keep in business is to have the rest of the taxpayers buy their butter and put it in storage."

Not Reciprocal

Shearer pointed out that it is not only the small industries that are effected but also the large, "for now the American automobile industry which has long advocated free trade is finding itself under the gun. To beat the problem of cheap foreign labor the Ford Motor Company has 26 manufacturing and assembly plants in foreign lands. Ford is importing to New York Ford cars to sell for $1,300. When we import a car," Sheared added, "we add a 10% advalorem tax. On a car we export to England that costs $4,000 the English add a tax of $4,800 to make the total price $8,800. This is not reciprocal and can hardly be classified as trade at all."

In conclusion Shearer likened the arrangement to "an international poker game; the other 34 nations will sit in as long as we do. We represent the only sucker with any money. If we don't play there will be no game for we have the only market where anything can be sold for money." Shearer pledged "if elected I will introduce a resolution calling on congress to assume once again the power to regulate foreign commerce."

Shearer conferred this week with his Lemon Grove and Spring Valley campaign committees on strategy matters for the general election.

Sports Roundup . . . Congrats to American Legion Post 433 (Helix-Lincoln) for gaining the finals of the Southern California baseball championship. Post 433 defeated Post 434 (Chula Vista) and Post 502 (Mission Bay-Kearny) to win the Southern County title and then smashed Vista twice on a Sunday double header to win this area's division title. Ontario was the next victim but a stone wall was met by our baseballers when they lost out twice to Anaheim to come home still champs of San Diego. Three Highlanders figured highly in the success of Post 433, and these same fellows will return to the Helix mound next year. They are pitcher Walter "Sandy" Thorpe, catcher Bob Schultz and first sacker Gene Dennis . . . The "Highlanders" are currently in third spot out of 12 teams in the second annual summer basketball league at Mont gym. Helix has a 6-2 record . . . Last weekend was the fourth annual regional championship drags at Paradise Mesa, sponsored by the San Diego Timing Association. It was a smashing success . . . Rudy Rudzinski, Allen Newton and Dave Olsen will represent Helix in the Breitbard annual All-Los Angeles vs All-San Diego high school all-star football game the last Wednesday in this month, Aztec Bowl. Actually this will mark the first year San Diego will field the entire southern team. In the past it was L. A. vs prep stars from all over Southern California.

The Show's the Thing! . . . "The First Texan" starring Joel McCrea and Felicia Farr, in a cinemascope and technicolor. This is the story of Sam Houston and will be a first run showing in San Diego. The co-hit is Mickey Rooney and Jack Carson in "The Magnificent Roughneck."

Other recommended movies to see (personal opinion, of course) will be "Moby Dick" starring Gregory Peck, Leo Genn and Orson Welles, in color; "Somebody Up There Likes Me" with Paul Newman, Pier Angeli and Sal Mineo; "The Proud and Profane" with William Holden and Deborah Kerr, in VistaVision; and "The King and I" starring Deborah Kerr, Yul Brynner, Rita Moreno, in color and Cinepoe, with music and lyrics by Rodgers and Hammerstein.

Lemon Grove-Spring Valley and East Tops in Accidents

On a recent Harold Keene tv program a sergeant of the California Highway Patrol said that Beat 8, which takes in Lemon Grove, Spring Valley and points east and south of Highway 80, is listed as the worst area for accidents, according to the highway patrol.

Further investigation proved that the sergeant was 100% correct. Out of the 17 beats covered by the patrol in San Diego County, this area was high with 37 accidents for the month of June. Many were injured. Much property damage was caused.

Next highest to this area was Highway 101, which is divided into two sections. Of course that highway has the heavy traffic and carries much military personnel.

Here is a breakdown of the Beat 8 area: 37 accidents, no death, 22 injured, 26 arrests following the accidents, seven out of the 37 involved military personnel, although they may not have been to blame.

Several persons were injured on Jamacha Road near Sweetwater. Sergeant Ford pointed out that most of the accidents in this area happen between 3 and 11 p.m.

The patrol is short handed and cannot be at all places at once, which is very bad. There are only 52 men in the San Diego County area to take care of 24 hour duty.

TWO LOSE FALSE TEETH IN COUNTY

"Lost and Found" in Wednesday's issue of a San Diego afternoon paper had this classified adv.:

"False Teeth, in surf, 2 blks. North of La Jolla Shores life guard tower. Reward. BE 4-3610."

The guy should have a pocket cut in his bathing trunks. Now he faces long sessions with the dentist, and in the meantime, soup and mush will be his diet unless he can "gum" more solid food.

We heard of an old lady down in Oneonta who had only two teeth left, but she was cheerful, said "Thank God they hit!"

P. S. The next day, same paper, same section, carried this classified:

Lost—upper denture between Girl Scout Headquarters and Sears. HO 9-8626.

Druggists carry "Stick Fast," guaranteed to hold 'em on the gums.—D. H.

LESSON-SERMON SPEAKS OF SOUL AS GOD

"Holy, holy, holy, is the Lord of hosts: the whole earth is full of his glory." These words of Isaiah (6:3), praising God, are the Golden Text of the Lesson-Sermon on "Soul" in all Christian Science churches on Sunday.

In a Bible selection the Psalmist sings, "Truly my soul waiteth upon God: from him cometh my salvation. . . . For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly." (62:1, 84:11).

Primary Health Center Plans Approved and Architect Selected

The supervisors, on recommendation of Director of Public Works Jean Vincenz, have approved the establishment of a primary health center to be built north of Civic Center, on land now used as a parking lot.

The cost of the building is estimated at $1,140,045, and architect's fees will be based on that amount.

Louis Bodmer was appointed by the board to draw final plans. His fee will total 7% of the amount, with 2% for preliminary plans, 4% for working drawings, and after contract is let, $7.50 per hour for a limited amount of work, consultation, etc, not to exceed 1%. The department of public works will have a clerk of the works, fully competent to direct operations, on the job to supervise. Mr. Boden and his staff will earn the approximately $80,000 that will be paid, what with the scarcity of draftsmen and such.

Final plans must be completed next spring in order to comply with requirements for Hill-Burton Act funds, it was stated by Vincenz. The health center is to be financed jointly by the county, state and federal governments. Bids must be called for and awarded by June 1957, to qualify for the federal funds.—D. H.

Bridal Shower Given For Miss Brandenberg

Miss Duane Brandenberg of Grossmont was honored at a bridal shower given for her by her very close friend, Miss Jeanie Cramer, last Tuesday evening, July 31. The shower was held in the Gene Cramer home, 9425 Bartlic Lane, Spring Valley.

Guests were Carol Higgins, Lee Springer, Jerri Hafter, Mary Lou McClellen, Elaine Tucker, Phyllis Sharp, Jil Levikow, Alice Martin, Jane Lightfoot, Lucille Lightfoot, Joan Cramer, Mrs. Clyde Brandenberg and Mrs. Gene Cramer.

Miss Brandenberg and Michael Fitzgerald of Palo Alto are to be married Saturday, August 18 at St. Paul's Episcopal Church in San Diego. She is the daughter of Mr. and Mrs. Clyde Brandenberg of Grossmont, and he is the son of Mr. and Mrs. Paul Fitzgerald of Palo Alto.

The future bride has been attending UCLA. She and Jeanie Cramer became acquainted when both were attending Grossmont High School.

A PUZZLE

CENTRAL FALLS, R. I.—Little Susan Agnes Merow was born recently "on the stroke of midnight." Now hospital authorities can't decide whether the baby's birthday is June 23 or June 24.

JOBS FOR JUNIORS SCARCER THAN HEN'S TEETH

Mrs. E. P. Klepner, volunteer manager of Lemon Grove Chapter of Give Junior a Job of work, small or large, reports an encouraging number of jobs offered young folks who want odd jobs since the start of the campaign, though some of the young folks registered have not been placed at all.

Of the 138 boys and girls who have registered with Mrs. Keplin, 63 have been called for odd jobs. And not one baby sitter has been asked for!

Girls who will do housework to the customer's satisfaction are ready to serve and promise to please. Boys who know how yard work should be done and are anxious to do it your way, are on Mrs. Klepner's list.

All boys do not care for yard work, but want to work in a store, are registered, but jobs of that sort are scare. A merchant doesn't want to have to put in a month training a boy to have him quit when school starts.

However, not enough jobs for boys who want to work, with shovel, hoe or rake, push a lawn mower or what have you, have been offered.

The time is short, if the young people are going to be able to get a little money together for their school incidentals, before September.

A deserving and anxious-to-work-girl-or-boy is just as near you as your telephone. A call to Mrs. Klepner at HO 9-4130 will bring a responsible boy or girl, to help you and incidentally, themselves. Give your old man a break by giving a boy that job of washing the car, mowing the lawn, or spading the flower garden. Hubby will be glad you did. And he might take you to Fiesta del Pacifico Pageant. They say it is wonderful.—D. H.

Mrs. Laura Smith Selected for Health Scholarship

Mrs. Laura Smith of 9034 Valencia Street, a registered nurse with the San Diego County health department, has received a three week scholarship to the health workshop at San Diego State College.

The scholarship is given each year on a basis of how long the person has been with the health department and with its school program. Also to the person who will take advantage of the scholarship and who without a doubt will remain with the department. Each area of the health department is entitled to one person for the scholarship.

Co-sponsoring agencies for the workshop are San Diego County Tuberculosis and Health Association, San Diego State College, San Diego City Schools, San Diego County Schools, San Diego Department of Public Health, San Diego County Chapter, American Cancer Society, San Diego County Medical Society, Ninth District California Congress PTA, San Diego County Dental Society, San Diego County Heart Association.

Grossmont High District To Get Boost in Tax Rate

Superintendent Lewis F. Smith of Grossmont Union High School District predicts a tax increase of from 80 to 85 cents for each $100 assessed valuation of property in the District.

A public hearing will be held on the $3,447,337 budget for the 1956-57 school year. Expenditures last year totaled $3,057,620. The $400,000 increase is needed to pay teacher salaries, Smith said.

Tax rate for Lemon Grove School District last year was $3.37 per $100 which included the Grossmont High School tax. Total tax rate was around $6.00, depending on Code Area. Look on back of your 1955-56 tax bill for the rate you paid, add the increase, and you can figure your own tax bill, and have six months to sweat — 'til your bill comes in November next. —D.H.

JOHN MORRIS DIES AT 43

John S. Morris, 43, 7272 Central Avenue, died last week in Lemon Grove. A native Californian, he was employed at Convair.

Survivors include his father, John J. Morris; a sister, Mrs. Audrey Watson of La Mesa. Another sister and a brother who survive live elsewhere.

Everyone Eligible for Salk Treatments But Public Supply is Still Short

Anyone—regardless of age—is now eligible for Salk vaccine sold through regular commercial channels.

Dr. J. B. Askew, director of the San Diego County Department of Public Health, said yesterday restrictions on the commercial vaccine had been lifted by the State Department of Public Health as the supply became more abundant. The health officer added, however, that the public supply of vaccine will still be limited to pregnant women and persons under 20 years of age.

The lifting of restrictions on commercial Salk vaccine, Dr. Askew said, means that anyone may now make arrangements with a private physician for vaccination against paralytic poliomyelitis.

Dr. Askew urged parents to consider Salk vaccination for themselves as well as their children. He said an average of 25.6 per cent of all poliomyelitis cases here occur in persons 20 years of age and older.

The need for vaccination of two age groups of children was also pointed out by Dr. Askew. He said that, although only 10 to 12 per cent of local cases of poliomyelitis usually occur in the 10-19 age group, the percentage has climbed to 17.5 this year.

Even more significant, Dr. Askew said, is a shift in incidence of poliomyelitis among children one to four years of age. This group usually has 28 per cent of the poliomyelitis cases, but has had 42.5 per cent this year.

The incidence of poliomyelitis throughout San Diego County so far this year, he added, is slightly ahead of the same period last year.

Appointments to Be Made for Deputy Sheriff Jobs

Ten appointments as deputy sheriffs will be made by the San Diego County Sheriff's Department as soon as qualified men are made available through civil service examination.

Candidates should be young men between the ages of 22 to 28 years inclusive, who are high school graduates, at least five feet nine inches tall and 150 pounds in weight.

The deputy sheriff position has a salary range of $371-$460 monthly and provides an opportunity for general law-enforcement experience. A promising career service is assured through promotions from the ranks by examination to higher level posts. In addition to the usual liberal civil service vacation and sick leave benefits, there is also a retirement allowance.

Full details and application forms are available from the county civil service office at Room 402 Civic Center, San Diego.

BEGONIA RAISERS TO SEE MEXICAN SPECIES

San Miguel branch of the American Begonia society will meet Monday at 7:30 in the Veterans of Foreign Wars hall in Lemon Grove. Ray Purtee, president, will conduct the business meeting and Mrs. Margaret Lee, vice president, will present John W. Garrett of Chula Vista who will show new slides of the interior of Mexico.

Mrs. Parsons Has $64,000 Product

Revlon, the sponsors of tee vee's $64,000 give-away program has named Lemon Grove Beauty Shop, 3311 Imperial local retailer for the list of Revlon products, according to Mrs. William Parsons, proprietor of the shop.

During the entire month of August, she said, a Revlon Facial Cocktail will be given to those making appointments if they request it.

The shop also specializes in hair cutting.

Local Horseman Gets Spread In Magazine

"Bob" Howell, tax consultant and accountant, 3455 Imperial Avenue, is subject of a feature article in the August issue of MAGAZINE SAN DIEGO.

Howell, president of the San Diego County Horsemen's Association is shown in a full page photograph astride his Arabian stallion, Shah Jahan.

The article deals with the growing popularity of Arabian horses. Howell, as well as Robert Harness, previous president of the association are credited with popularizing the breed locally.

Howell is presiding the county group for the second successive year.

sends 'em a bill every year, and gets the money.

Supervisor Howell remarked that there were 35,000 acres left down there after the state took what it wanted.

Proposed assessment roll for Alpine Sanitation District was adopted. Residents of Alpine who come under the assessment district are not too happy about their taxes. Hugh Kidder, who peddles Signal gas and oil to La Mesa's elite, complains that he pays heavy sewer taxes and has no sewer connection, is too far away from the main line.

Tax rate on secured valuations in Alpine in 1954 was $3.02 per $100, the second highest rate in special assessment districts. Only Julian had a higher rate with $3.82 per $100. Remember, this tax was added to the regular taxes, making a nice fat total. Lemon Grove Sanitation District was 47 cents, La Mesa Park, with $2,227,270 valuation, was .00. Spring Valley Sanitation District, with $9,785,830, was also .00. Remember, this was in 1954.

Welfare Matters:

Board to determine the liability of responsible relatives of 53 recipients of old age security.

Letters from the State Department of Social Welfare submitting copies of decisions of the State Welfare Board on appeals from action taken by San Diego County in seven cases, all denied. Two more hearings are scheduled for August 1, when they will be heard here, one for aid to needy children, the other old age security.

Application of E. F. A. and F. H. F. for freedom from responsibility for the support of their father, H. L. F., an applicant for old age security, and letter from director of public welfare stating that there appears to have been no willful abandonment by the father, and recommending denial of said application.

The department submits a list of 736 cases for which it recommends that cash in the amount of $42,330.29 be extended for the month of August, 1956.

Department requested ratification of its action in expending a total of $485.83 to return four clients to their places of legal residence.

The director requests that the district attorney be authorized to proceed against the responsible relatives of 13 recipients of old age security as provided in Section 224 of the California Welfare and Institutional Code.

Permits:

Letter from Standard Steel Corporation stating that when it sold an electric asphalt plant to Ralph B. Slaughter in 1953, a dust collecting machine was also included which returns to the system approximately 70% of the collected dust and exhausts into the atmosphere the portion not collected, said machine being designed for use with an additional wet washing system which can increase the collecting efficiency to 98%. (This letter concerned the temporary asphalt plant that Slaughter is asking to install at Santee three miles from El Cajon City, which city is protesting the granting of a permit.) The matter was referred to County Planning Commission.

Laughlin Wants Back Pay

Petition of Raul Laughlin for payment of salary $2,163 from Feb. 8 to June 15, 1956, inclusive, stating that since his civil service hearing demonstrated that he had been discharged without just cause, he believes that it is not equitable that he be forced to lose his salary during that period; requesting that he be given an opportunity to further clarify the matter by an appearance before the board, and stating that he has requested an immediate resumption of his civil service hearing if an adverse performance report is not made consonant with the facts developed in said hearing. (It is rumored around the Civic Center that Laughlin's friends and supporters are considering a "write in campaign" for the November election. This will be interesting, and a lot of dirt will be dug up.)

Letter from chief administrative officer submitting and recommending that the board approve and file letters of acceptance from 14 organizations, thereby renewing the agreements between the county and said organizations for 1956-57.

The 14 organizations include San Diego Convention and Tourist Bureau, Symphony and Orchestra Association, Chamber of Commerce, Junior Chamber of Commerce, Museum of Man, Traffic Safety Council, Visiting Nurses, Society of Natural History, Zoological Society, Fine Arts Society, all of San Diego; Escondido Visiting Nurses, Boys and Girls Aid Society, Door of Hope Home and Hospital, California State Chamber of Commerce.

Next year's Fiesta del Pacifico was not included in the list, but it's a safe bet that the boys will be around next year for $150,000 or so.

Director of public health reported that the estimated population of the county on July 1, 1956, is 867,300, which represents a gain of 47,900 over the estimate of July 1, 1955.

Revolving Fund

Edgemoor Gift Shop revolving fund, $2,000, will be continued, as a change would require an amendment concerning the disposition of profits. Seems like a matter of bookkeeping. The Gift Shop sells articles made by the old folks, and has proven a blessing to those guests with skills, such as weaving rugs and cloth. Many prizes are awarded at county fair for handiwork of the guests. Yarn and other supplies are purchased and the finished articles sold.

The assistant superintendent of Edgemoor requested the discharge from accountability for the collection of accounts totaling $43,941.62. Also, he requested the assignment to the Credit Bureau of San Diego, Inc., of delinquent accounts totaling $25,012.41. Another request from the same gentleman asked for assignment of additional amounts totaling $4,541.50 to the credit bureau, on two accounts previously assigned.

Director of medical institutions requested the assignment to the credit bureau of delinquent hospital accounts totaling $20,266.48.

Lemon Grove Street

Construction of curbs and sidewalks on Violet Street between Hoffman and Pearson streets, in Lemon Grove, R. I. D. 6014. Letter from Joe Mack stating that only 55.6 per cent of the owners of the area involved is in favor of the improvements and requesting instructions as to whether he should continue the proceedings, inasmuch as the percentage is below the 60 per cent figure. Matter was held over.

Paul Reynolds was recommended for appointment of secretary-treasurer, elected by control boards at Community Center Buildings in Lemon Grove.

Claim of County Supervisors Association of California in the amount of $7,260 for technical, informational, research, advisory and legislative services for the fiscal year 1956-57.

Letter from Anita Brook, Lemon Grove, suggesting that the old greenhouse in Balboa Park be restored. (That is city park board matter.)

Aid to Indians

Letter from Purl Willis requesting that certain portions of the county building regulations be waived so that the Indian families who have qualified for the surplus houses made available to them in 1954 by Congress may move the houses, and protesting the actions of the California Indian Agency, the State Highway Department and the governor in refusing to allow the houses to be moved on state highways.

Purl Willis, 77 and a sick man, who has been battling for the Indians for 25 years, stepped to the mike and addressed the board briefly. Explained that the money is in the fund, that the $1,000 bond required to move the houses on highways is a burden on "Lo, the poor Indian, whose untutored mind" is heavy, even the $10 required for the bond, and if the board would waive the bond, as has been done in Riverside County, many families could have better houses without having to tear them down and rebuild at a new site, after hauling the dismantled houses by truck.

The board ordered Willis' letter filed. He told this reporter after the meeting that he was taking the matter to the grand jury. Said he would carry the matter further. (Having lived for several years in my youth next to the Capitan Grande Indian Reservation, 10 miles up the river from Lakeside, I have a limited knowledge of and acquaintance with Mission Indians. I hope Purl Willis is successful in his effort to aid the Indians to better housing. D. H.)

San Altos Terrace

Re final subdivision map of San Altos Terrace, Map 1626, the surveyor and road commissioner (Joe Mack) recommends that the board file certificates from the taxing agencies relative to taxes, approve bond guaranteeing payment of taxes, approve bond to insure improvement of the streets in said subdivision, approve said map, accept, on behalf of the public, La Corta Street, Massachusetts Avenue, Primera and Raemon Streets, Plata Court, Corta del Sur, Calle Entre, Madera and San Pasqual and a portion of 60th Streets, and reject the drainage easements offered for dedication on said map.

SURVIVES 60-FOOT FALL

MORGANTOWN, N. C.—Gerald Buff, 5 of Glen Alpine, fell 60 feet into a dry well recently and escaped with only slight bruises and a minor cut on the chin. Firemen lowered a 10-year-old boy into the well to tie a rope around Gerald. Both boys were then hauled out.

Local Man Is Chairman Fleet Reserve Group Meet

The 19th Annual Regional Caucus of the Branches and Units of the Southwest Region of the Fleet Reserve Association and Ladies Auxiliary will be held in San Diego, Calif., Saturday and Sunday at the U. S. Grant Hotel. Over five hundred delegates will attend.

General Chairman of the Caucus will be William F. Hickey, 7853 Nichals, Lemon Grove, Past President of Branch 9 and presently National President of the Association. Mrs. John Devlin, Past President of Unit 9, San Diego will be Chairman of the Auxiliary Committee.

A dinner dance honoring delegates will be held in the Venetian Room.

Opening ceremonies will be held Sunday morning. Business meetings and luncheon will start at noon.

Major business to be considered will be more than one hundred resolutions to be presented to the National Convention for final action in Philadelphia in October.

The day of the small farm, and especially the small farmer who hires only a few hands, may be kissing this earth good-bye.

WED AFTER 56 YEARS

COSTA MESA, Calif.—Charles Bryant, 82, of Centralia, Ill., learned that his boyhood sweetheart, now 80, had been widowed. So he drove here and continued the courtship. He and Mrs. Lou McDonald were recently married.

New flowers speed cross-country by telephone. Many floral shops now offer a new service—*Flowers by Telephone.* When flowers are to be sent out of town, the florist calls the distant city and places the order before the customer leaves the shop. If the flowers asked for are out of stock, the customer is free to change his order, knowing his flowers will arrive on time. Florists who offer this new service display an emblem reading: "We speed flowers by telephone." It's another way telephone people—working with florists—make telephone service do a better job for you. The men and women of Pacific Telephone work to make your telephone more useful every day.

Paul And Dick Canfield Open Brake Business On Imperial

A new business in a new building started this week in Lemon Grove.

It is the Paul and Dick Canfield Brake Service at 3617 Imperial Avenue and the firm will specialize in hydraulic brake systems. Dick Mc Allister, with the firm four years, has been named manager.

Paul Canfield has been in the automotive business for more than 40 years, all of the time in San Diego County. His son, Dick joined him eight years ago. They presently operate another brake service business on Trojan Street in San Diego.

While the firm will deal exclusively in brakes, they will wholesale and retail their service as they have been doing at the Trojan Street address.

"We will handle nothing except brakes but we intend to maintain our reputation as giving the best brake service in the county," Dick said.

Fiesta Del Pacifico Golden Nugget Ball Set

As a part of the Fiesta del Pacifico's Social Calender, the combined Parlors of; the Native Sons and Daughters of the Golden West of San Diego County, will hold the Golden Nugget Ball Saturday in the Balboa Park Club.

Music will be supplied by Merle Carlson's Orchestra. Attire for the Ball will be Fiesta Apparel or Semi Formal. The Ball is open to the public.

School District Hopes For Allocation From State

The La Mesa-Spring Valley School District had been unsuccessful in their attempt to obtain a State allocation for the Severin Manor School.

Dr. Ted Dixon said last week that three memers of the District office had recently attended meetings in Los Angeles and Sacramento to discuss the problem. He said that the District had reapplied to the Department of Education and the Department of Finance and are in hopes of having an allocation in the near future. There is a possibility that the application will be put on the August 17 agenda.

After the application has been approved work will speed up on both the Severin Manor School and the Bancroft School.

Mrs. Stone Succumbs To Heart Condition

Mrs. Tim (Bertha) Stone, 71 6704 Brooklyn, Encanto, died Tuesday of a heart attack at her home. She had been an area resident since 1935.

Earlier this year her life was saved by an employee of the Helix Irrigation District who jerked an oxygen tank from his workshop and supplied oxygen to Mrs. Stone until an ambulance arrived. She was suffering a heart attack at that time.

Mrs. Stone was active in Navy Mother organization and Rebeccas.

Surviving Mrs. Stone are her daughters Mrs. John Warner of Encanto (John Warner is a barber at the barber shop on Main Street near the L.G. Hardware Store); Mrs. Faye Portis of San Diego and Mrs. Trixie Davenport of El Cajon.

Services were held at Conrad's Lemon Grove Mortuary Thursday of this week.

Swim Club Holds 'Open House' Ceremonies

Open House will be held at the area's first public swimming pool the Carmen Ranch Club, 2515 Sweetwater Avenue for two weekends in succession. The first of these will be Saturday and Sunday of this week.

The pool, located on a five acre tract on the east side of Sweetwater near the end of Palm Street in Lemon Grove is of Olympic size and is owned and operated by John and Elda Carvano.

Pool is for use of members who will pay an initiation fee and monthly dues thereafter. Subscriptions are limited to 250 families Mrs. Carvano said.

Stanley Rose has been named aquatic director.

Church Group Petitions Russian Premier To Free Prisoners

Jehovah's witnesses, in District Convention at Long Beach Municipal Auditorium, earlier this month petitioned Soviet Premier Nikolai A. Bulganin to free its members from Russian slave labor camps.

The petition, adopted by 10,709 conventioners is in behalf of thousands of Jehovah's witnesses confined in the many slave labor camps behind the Iron Curtain.

It was a similar petition in the form of a cablegram that warned Hitler to release the thousands of Jehovah's witnesses he had incarcerated or "Jehovah would destroy him and his national party." Hitler refused but today Jehovah's witnesses are now prospering in Western Germany.

The Long Beach District Assembly is one of over a hundred such assemblies throughout the world sending this identical petition and letter to Bulganin and the Communist Government.

Several members from Lemon Grove are active in the program.

Craig Brothers Back Home For Visit

Midshipman Bruce L. Craig arrived home last week to spend his summer leave from the U.S. Naval Academy with his parents LCDR (Ret.) Bruce Craig and Mrs. Craig of 2304 Loma Drive. His brother Clive, a student at State College, has just returned from a USNR two week training cruise at Port Hueneme, Calif.

EXECUTIVE BOARD MEET OF HOSPITAL WOMEN TO BE HELD

The regular monthly meeting of the executive board, Grossmont Hospital Women's Auxiliary wil take place on Friday, August 10, 9:30 a.m. in the cafeteria of Grossmont Hospital. The announcement was made by Mrs. Jens Hutchens, president, who will preside at the meeting. A representative turnout is anticipated, in spite of vacation absences.

A meeting of the auxiliary's Lemon Grove unit has been called by its chairman, Mrs. W. K. Phillips, to take place on Tuesday, August 14, 7:30 p.m. in the home of Mrs. John Landesco, 1940 Skyline Drive. It is hoped that the new day and new time will prove both convenient and popular with the area's members.

Square Dance News

Levis and Laces

Levis & Laces danced through Saturday evening, party night to the (can't keep your feet still) music of the H&H Tunetwisters. Montgomery and guest callers Gene Johnson, Happy Hopkinson, Bill Ott and Bill Ott, Jr. had the dancers really dancing in a hall decorated in the Fiesta del Pacifico Theme. Prizes were awarded to Dolores Wilhelmi and Joe Carter for the most colorful Fiesta clothes. The most outstanding beard prize, was won by Morrie Richardson. The prize was a razor, blades and shampoo. Hope to see you in a square.

Satins & Spurs

The Richard Spurgeons of San Carlos Dr., Spring Valley hosted Satins & Spurs first anniversary dance on their patio last Saturday night. Satins & Spurs is a private square dance club. Helen and Pete Mighetto did the calling. The patio was beautifully decorated in a Fiesta theme and everyone was dressed in Fiesta clothes which made is a very colorful party.

During intermission so much fun was had by all when each took turns trying to knock down the pinata which was filled with wonderful gifts. A very colorful Mexican pitcher and plate was given to Nadine Maczko as the door prize.

Guests other than club members who attended were the Roy Fishers, John Emericks, Lloyd Carlsons, Fred Rectors, Shorty Martins, Paul Gogertys, Chip Morgans. Lee Shipherd took pictures during the course of the evening.

Claude Wood, bank vice president, at the firm's Fiesta Costume Dance at the El Cortez Hotel, recently. More than 500 employees of the First National entered the Fiesta Costume Contest sponsored by the bank in all of its 16 offices.

Must File For State College Admission This Month

Application for admission to San Diego State's fall semester must be filed by August 25, according to Dr. Alfred White, Director of Admissions.

It is also the last date that qualifying examinations will be given to applicants for freshmans admission. Reservations for the tests must be made by August 17.

Registration will begin September 19, and classes will begin September 24. About 7,800 or 7,900 students are expected to enroll in comparison with the 6,785 students registered last fall.

AFTER 2 YEARS NEAR NORTH POLE

Ex-Lt. Calder Takes Over Toy-Town

Eight Terri Lee dolls will be given as prizes during the next four weeks at Calder's Toy Town, 7923 Broadway, it was announced this week by Graydon Calder.

The dolls will be awarded starting August 18 to two age groups of children for coloring cards which are being given free at the store. Groups are 5 to 8, and 9 to 12. Winners will be listed in the store and in this newspaper.

The contest is the first of a series of promotions planned by Graydon Calder since he took over the management of the store last month. It had previously been operated by his father.

Young Calder, a lieutenant, was separated from the Air Forces on Independence Day after serving four years, the last two in Anchorage, Alaska. Prior to that he had attended San Diego High School, San Diego State College and spent two years in Australia as a missionary for the Latter Day Saints.

In the Air Force he received two separate awards. One was for the highest academic standard in his class of 443; the other was a combined academic and military award, this also for having the highest standing of 443 men.

Calder said that the Lemon Grove store is being expanded by approximately 50% to accommodate Christmas merchandise now arriving. Construction at the rear of the building is already under way.

"We expect to have the largest selection of toys in San Diego County with the exception of our North Park store," Calder said. The North Park store is operated by Kenneth Calder, his father, and bears the same name. At the same address is Calder's Colonial Candies.

Calder is in the process of occupying a new home in Euclid Mesa. His family is his wife, a daughter, Cathy 2½, and another child yet to come but it will be here well ahead of Santa Claus, Calder said.

GROVE CONTRACTOR LOW ON BANCROFT SCHOOL BID

O. L. Carpenter, Lemon Grove contractor, was low bidder for the construction of the Bancroft School in Spring Valley.

Eight bids were submitted, from $455,900 to $478,543. The low bid is being forwarded to the Federal Government for its approval. Carpenter indicated that work on the school will begin within 5 days after the government returns the papers.

The government may be lousy in many respects but so are many of the citizens who make up the country it administers.

NEW WING BEING BUILT BY LUTHERN MEN

Men of Lemon Grove Luther an Church last Saturday started construction of the second floor of the Sunday school wing. This addition will include nine class rooms, rest rooms and an assembly hall. The men will be working every evening during the week starting at 6 P.M. and then all day on Saturdays.

The Sunday School of the church is conducting a daily vacation Bible School for children who will be in kindergarten in the fall through the Eighth grade are invited.

Last Saturday Pastor H. C. Bakken and a number of the young people of the church returned from a week at Bible Camp at Palomar Mountain. The Pastor was dean of the camp.

Fire Department Taking Course In Modern Equipment Use

Ward Ensley, state fire instructor from USC is conducting a fire training course in the county and Lemon Grove firemen will take the course for six consecutive weeks, Fire Chief "Pappy" Hensley announced.

"I've been trying to get Instructor Ensley for six months," Chief Hensley said. The popularity of the course was shown when 16 men of the 18 man personnel total showed up for the initial drill Monday. The program is mandatory only for full time personnel.

Hensley said latest techniques in use of modern day equipment was being taught.

Raising Chinchillas Proves Profitable Hobby for Many In This Area

"Chinchilla — American fur-bearing rodent, found in the Bolivian and Chilean Andes between elevations 8,000 and 12,000 feet. Its lustrous gray fur is esteemed for garments." — From New Modern Encyclodeia.

A few years ago, when chinchillas were scarce and their export was prohibited by the South American countries where the rodents lived, the animals brought as much as $1000 a pair. Now in Lemon Grove area, $30 up per pair is the present price. A pair of chinchillas will produce three litters a year, with from one to three young at each birth.

R. E. Howry, manager of Blue Banner Chinchilla Ranch, told me many interesting items about the little rodents—and gave me facts and figures on the financial returns that may be expected.

Lemon Grove, La Mesa, Spring Valey and Mt. Helix are included in the 1500 to 2000 little animals that are being raised in this area. The Blue Banner Chinchilla Ranch, on Mt. Helix, has 450 animals in working order, and Mr. Howry gives his personal attention, night and day, to his charges. They need close attention, and repay their owners amply. He suggests that a couple of pairs will pay for their keep and return at least $200 yearly, besides making lovable pets.

Average price paid for first class pelts is around $30 each, with $9 for lowest grade skins. At a recent auction sale in New York, $46 was paid for best-selected skins and $12 for poorest. About 10 per cent of the skins are graded as best, 70% are classed a mediums and 20% lowest.

Did you know that here the animals are kept "under refrigeration" for three months before being pelted? The refrigeration means that the animals are placed in an air-conditioned room with temperatures varying from 32 to 48 degrees, to make the fur thicker and more desirable. One hundred twenty animals at a time are placed in the "cooling room" and the temperature is changed at intervals. Howry said he lost 13 animals when the temperature was kept at 32 degrees too long. The little rodents just huddled down and stayed huddled, until they froze to death before the caretaker realized what had happened. The cold treatment makes the fur lustrous, as all trappers know, and winter weather conditions make the fur more valuable.

Other figures given by Howry: The animals are pelted (killed) at five months, 30 pelts are needed for a stole, 48 pelts for a bolero, 60 for a short jacket, and up to 110 pelts for a full length coat. One male can serve five females. The average delivery of births is four young, but many females deliver but one. Average cost of feed per animal is $1.20 per year for large herds, $3 for small groups of say four animals. They eat about the same food as do rabbits.

Gestation period is 111 days, or three litters a year, showing for rest periods between births.

The Blue Banner Chinchilla Ranch will have its first garment completed and on display very soon. The pelts needed are now in San Francisco being selected. So far as known, no garments of chinchillas have been made locally before this time.

Hobbyists who want to be relieved of responsibility of pelting, marketing and tanning the hides may have these chores done for them at a cost of $12 per hide, with $6 paid down, balance taken when hide is sold. Killing (pelting) is priced at $2, tanning, which is done in San Francisco, at $8, handling at $2, which makes up the $12 fee to sale time.

Brotherhood Week Chairman for Grove Area Needed

Louis B. Seltzer, editor of Cleveland Press, considered by newsmen "the best editor in U. S." in a personal letter to Mas Goodwin, asks him to personally enlist an outstanding citizen to serve as Brotherhood Week chairman for this area.

This year Mr. Seltzer has been honored by selection as national chairman of Brotherhood Week, sponsored for the past 23 years by the National Conference of Christians and Jews.

"The mobilization of men of good will in support of the National Conference — repledging America's allegiance to our sacred heritage of 'One Nation Under God'—is the best insurance the United States can maintain against the fires of hatred and bigotry. It also builds our national unity, strengthening the nation on its fight against communism.

"The chairman you enlist will be given every possible assistance from the national conference—including a 'how-to-do-it' guide and all necessary materials."—D. H.

ST. PHILIP'S CHURCH NOTES

Robert Edward Garver and Mary Louise Quellette were married at St. Philip's at 2 p.m. on Saturday last.

The women of the Convocation are invited to a Midsummer Quiet Day at St. Alban's, El Cajon on August 14th from 9:00 until 2:30. The Rev. Richard K. Nale from St. John's, Chula Vista will hold the service, and the celebrant will be the Rev. John P. Christiansen, St. Andrew's, La Mes. All women of the Church are cordially invited.

Del Mar Hotel Converted for Retired People

A new "dream world" has opened for the person of 65 or older. A plan of living that includes such unheard of escapes as golfing daily; station wagon tours of Southern California and Mexico; fishing from a pier and barges; attending famous horse racing meets; swimming in a pool or the ocean; picnicking in the park; hiking and in general "living it up."

This "dream-world" actually exists today. And Olive Armstrong Fox, president of Del Mar Private Estate for the Retired, and America's leading authority on old age care, is the enterprising young lady who has put this fabulous plan into action.

Purchasing the famed Del Mar Hotel at Del Mar, California was the first step. Remodeling and redecorating the one time swank hostelry, adding luxurious suites, game rooms, dining areas and outdoor recreational games was step two.

Step three was terminated a month ago with the complete approval and licensing by the California State Department of Social Welfare.

The reside...y plan of Mrs. Olive Fox is based on the lifetime expectancy of men and women outlined in McClintock's Table as released by the California State Department of Social Welfare and Annuity Values and Life Expectancy Value. This table sets forth that a man of 65 will live 11.3 years longer. Therefore if he were to live at the country club Del Mar for the rest of his life, he pays for 11.3 years. The total cost averages less than ten dollars a day. The same applies to women.

"Truly," opines Mrs. Fox, "a new 'dream-world' is now available for men and women over 65."

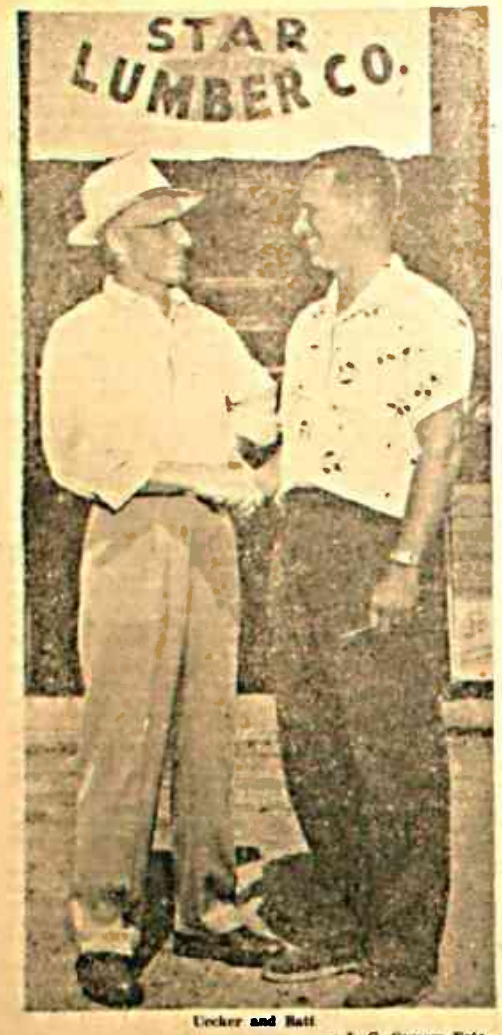
STAR LUMBER COMPANY OPEN FOR BUSINESS IN VALLEY



Uecker and Batt — L. G. Camera Foto

The Star Lumber Company, Arthur Uecker, owner, is open for business in the new quarters, 3004 Bancroft Drive, Spring Valley.

Roy Batt, experienced in the lumber and hardware business, is manager. Roy has been in the lumber business since 1930, was with City Lumber Co., 70th and El Cajon, for seven years.

George Cox, yard superintendent, a Spring Valley resident for 11 years—he lives at 9140 Kenwood Drive—has had 25 years experience in lumber, 20 years of that time in La Mesa. George put in four years in the Navy, but there is not much lumber used in the Navy since the days of wooden ships and iron men, so he stayed ashore.

The Star Lumber Company is new throughout, with an acre and a half of ground, a storeroom 40x40 filled with hardware and tools of every description and paint for the home builder's every need.

"Do it yourself" and contractors will find satisfaction at Star, "the largest and most complete lumber yard in the foothills," with everything for home and building construction.

—Two trucks make delivery with promptness and dispatch.

Drafting service and financial assistance are available.

A building 22x128 will house dry materials. Concrete blocks and brick and cement for your patio, completes the buildings leaving ample room for lumber in the yard.

Mr. Uecker, a Spring Valley resident for four years—he lives on Barbie Lane—sees a bright future for this area. He has shown his faith with a large investment.

SOTELLO-RUE CEREMONY SOLEMNIZED AT ST. JOHN OF THE CROSS CHURCH

The marriage of Lupe Sotello, daughter of Mr. and Mrs. Barquiel Sotello, 2250 Skyline Drive, and Admiral E. Rue, son of Mr. and Mrs. F. P. Rue, 8046 Idica Street, Spring Valley, was solemnized July 28 at St. John of the Cross Catholic Church.

Tax Collector Easton Peddles Dirt at Good Prices

County Tax Collector Easton auctioned off valuable lots on whose owners had neglected for several years to pay the taxes assessed and ruled for, at a public sale in his office on July 25. The properties, 19 parcels, had been advertised as required by law. Seven of the parcels were advertised in The REVIEW.

Some 40 persons were present when Wilbur started the sale at 9 o'clock, when a small lot in La Jolla Park, meaning La Jolla (period) which had a first bid of $200 that had been offered by the advertiser, a Mr. Crane, and was knocked down for that amount when no other bids were made. It developed later that some other party had sent in a check to redeem it, but the money didn't arrive in time to stop the sale.

Two lots in Block D, Harbison Canyon, with a minimum bid of $40 each, brought $110 and $176 respectively. The bids upped $5 a shot most of the way, then were advanced at $1 a throw, till the top was reached and Wilbur used his little wooden mallet. Julius Johnson was the lucky man buying both lots.

The next lot sold was a piece of Sec. 9, Township 18 S Range 2 East, 2½ acres of brushy land near Marron Valley, out towards Campo. Minimum bid was $200. First bid was made by a gentleman who offered $205, but other bidders ran it up to $300 before it was knocked down. We asked the gentleman's wife, who was seated next to me, if they knew the property, and she said "Yes, and it was not worth more than her husband had offered," but they wanted it for a place to put their horses and to have a place to go to on Sundays. They live in National City. No water on the place, she said, but it is near Marron Valley, where the Mexican government is planning to build a dam to store water. Allen A. Crane was the successful bidder.

Lot 15, Blk. 4, Paradise Valley Heights, first bid $50, was bought by Harry A. Kelso for $100.

Five parcels in Assessor's Map 16, near Julian, where different persons who wanted a lot in Kentwood in the Pines, brought from $25 to a high of $86.

At 11 o'clock the lots advertised in the REVIEW were put up, separately. The seven lots, each and all with a minimum bid of $20, brought prices as follows:

Lot 79, in Nortonia, assessed to L.M, LG and SV Irrig. Dist., was bid in by Jas. B. Daugherty for $170.

In Resub of West Avondale: S 25 ft of N 110 ft of E 100 ft Lot A, sold for $65.

In same Resub., E. W. Eberhardt bought ten pieces of Lot A, in three parcels for a total of $1055, which included the S 25 ft of N 85 ft of E 100 ft., Lot B.

In same Resub. West Avondale, Jackson M. Ammons paid $550 for four lots in Block B. Jackson showed his faith in the future of the area by his bidding. Let us hope that his faith is justified in a substantial manner as soon as the "Water Works" extend their pipe lines.

Total amount received by Tax Colector Easton for the property listed above, from La Jolla to the shores of Sweetwater Lake, was $2,949 cash.

These lots will go back on the rolls at a substantial advance in assessed value, starting next July, so the county will gain a sizeable amount in taxes each year, besides the $2,949, less what the state takes. Pretty good for Wilbur Easton, our "Friendly Tax Collector," hey?—D. H.

PVT. SCHNAUBELT ASSIGNED TO ANTI-AIRCRAFT UNIT IN JAPAN

MISAWA AIR BASE, Japan (Spcl.)—Army Pvt. Kenneth W. Schnaubelt, 18, son of Rudolph F. Schnaubelt, 3332 Hill St., San Diego, recently was assigned to the 753d Antiaircraft Artillery Battalion in Japan.

Schnaubelt, whose mother, Mrs. Lila M. Harris, lives at 2870 Massachusetts, Lemon Grove, is a radioman in the battalion's Battery B.

He entered the Army in January of this year and was last stationed at Fort Sill, Okla. He was graduated from Point Loma High School in San Diego in 1955.

LUCKY MAN

ESTES PARK, Colo.—A vacationer, Elmer W. Reed, 36, of Lawrence, Kan., fell into a mountain stream near here, was carried over a 175-foot falls and lived to tell about it. Knocked momentarily unconscious on the drop, Reed suffered cuts, bruises and lacerations. He was rescued from a pool below the falls by other vacationers.

GROVE OFFICER GETS MARINE MERIT AWARD

Colonel Daniel C. Pollock (right) 8326 Adams Ave., has been presented a Certificate of Commendation in recognition of exceptionally meritorious service in the performance of duty as director of the Marine Corps Section of the Command and General Staff College at Fort Leavenworth, Kansas.

The presentation was made by Brig. General William F. Train, assistant commandant of the Command and General Staff College, at a ceremony held prior to Colonel Pollock's departure for his next assignment with the 3d Marine Division, Fleet Marine Force.

Colonel Pollock enlisted in the Marines in 1936, was commissioned in 1938. During World War II he served two years in the Pacific as commander of the 1st Battalion, 26th Marines, then as staff member of the Fifth Service Depot, Fleet Marine Force, Pacific.

Prior to his assignment to Fort Leavenworth in August, 1953 he had been in San Diego for two years at the Marine Corps Recruit Depot where he commanded the separation center and later commanded the 3d Recruit Training Battalion.

Mrs. Pollock and their two daughters, Nancy Carol and Deborah Kay, reside at the Lemon Grove address.

Future Farmers and 4H Members Paid for Livestock

Future Farmers of America and 4H members receive checks from J. W. Milsten of the First National Bank, El Cajon branch. Checks are for livestock which they raised and which was later auctioned following the Del Mar Fair.

back row, l. to r. Shelia Conby, Lemon Grove; Lynne Tristran, Lemon Grove; Larry Durbin, El Cajon; Chester Harshman, Spring Valley; Mike Steffen, Spring Valley; Robert Elkin, Jamul; Mike Knapp, Lemon Grove.

More than $18,000 was paid to 104 Future Farmers of America and 4-H Club members by the First National Trust and Savings Bank of San Diego at a party Tuesday, July 17 at the El Cajon Valley branch of the bank. The money was paid to boys and girls, who were from the eastern part of the county, for their animals that had been sold at the junior livestock auction at the San Diego County Fair at Del Mar. Also attending the event at the bank were 4-H Club leaders, Future Farmers of America instructors and members parents.

Again this year the First National Bank showed the sale at the fair. The youngsters who sold livestock at the auction received their checks from J. W. Milsten, manager of the bank, at the reception honoring the 4-H Clubs and the Future Farmers of America. The bank assumes the responsibility of collecting from the purchasers.

Eleven year old Betty Stockalper, a member of the El Cajon Valley 4-H Club, sold her heifer for $1.85 a pound. This was the top price paid for beef in the junior livestock auction at the fair. The Cook Grain Co. of Riverside was the successful bidder for Betty's steer, netting a total of $118.18 for the 638 pound animal.

A similar party was given on Monday, July 16, when the bank honored the youngsters from the northern part of the county at a reception in its La Jolla branch, and on Wednesday, July 18, youngsters from the South Bay area of the county were entertained at First National's Chula Vista branch.

A total of 288 animals was sold in the county fair auction, including 160 fat lambs, 115 beef cattle and 13 swine for a total of $41,022.83.

Besides the stock raisers and parents the bank party was attended by Dave Henshaw, farm advisor and Bob McNulty of the University of California, who is in charge of 4H work throughout San Diego County.

There is quite a list of leaders in the eastern section of the county. Following is the list of those attending the party: Mrs. E. J. Rodenbeck, Dehesa; Mrs. Walter Camp, Dulzura; Mrs. Charlotte Holbrook, Dulzura High Kendall, El Cajon; Mrs. Dove, El Cajon; Mrs. Charles Box, Alpine; Mr. and Mrs. George Taft, Jamul; E. T. Adams, Jamul; Holland Upson, Ramona; Mrs. Robert Knapp, San Miguel; Mrs. Bert Cosby, San Miguel; Mrs. Mary Rice, Santa Ysabel; Mrs. Phillip Matteson, Spring Valley.

U. S. National Bank Tops in Pony League

The U. S. National Bank team of the Pony League, Lemon Grove and Spring Valley, is ahead in the league as of last Friday. Here are the standings: U. S. National Bank won 6, lost 2; Lemon Grove Merchants won 5, lost 2; S and M Sporting Goods won 2, lost 5; Lemon Grove Sporting Goods won 1, lost 5.

The last scheduled game is set for August 11 and will be a double header, to be played at the Lemon Grove Junior High School. The playoffs between the two top teams will be held Sunday, August 12 at the Spring Valley Junior High.

Results of recent games: Tuesday, July 31, S and M Sporting Goods 5, LG Merchants 2. Boone pitched for the S and M and Bemis for LG Merchants. Relief pitcher for S and M was Pisbeni.

Tuesday, August 2, US Nat Bank 1, LG Sporting Goods 4. Austin was the winning pitcher and Thorpe the losing pitcher.

Here are the players of the recent All-Star team: George Austin, Gerry Baker, Gerald Bemis, Duane Bentley, Ronald Boone, Charles Chance, Bruce Cohen, Tom Crow, Duane Freeman, Kenneth Kunkel, Fred Lear, Robert Megling, Paul Pisbeni, Jim Shacklett and Donald Thorpe.

GROVE MAN ASSIGNED TO S. D. SUBMARINE

A Lemon Grove man, William Orville Hobart Jr., radioman first class, USN, son of Mr. and Mrs. William Orville Hobart Sr., of 1621 Colfax Dr., and husband of the former Miss Beatrice N. Chinnatti, daughter of Mrs. Lena Chinnatti of 1621 Colfax Dr., is presently serving aboard the submarine USS SEA FOX (SS 402).

The SEA FOX is a guppy-type submarine based in San Diego Bay. The guppy (Greater Underwater Power and Propulsion) type sub is equipped with more batteries for greater submerged speed and an underwater breathing tube (snorkel).

Hobart attended Chapman Technical High School, New London, Conn., prior to entering the Navy.

New Citrus Treatment to Prevent Spoilage In Shipping

Farm advisors from citrus-producing counties in San Diego County are now participating in transcontinental tests of a new process for preventing citrus fruit decay on route to market.

The process, developed by University of California scientists, involves the gradual release of a harmless amount of ammonia gas produced by the action of fruit moisture on inexpensive chemicals.

The chemicals are placed in shipping cartons as small pellets distributed at random through the box, or are impregnated in paper sheets laid on top and bottom of the packed fruit.

Large-scale experiments have indicated that the gas effectively prevents the formation of molds, does not injure the fruit and has no effect on flavor, vitamin content or color, according to Dr. Leo J. Klotz, plant pathologist in charge of the project.

To check the treatment under commercial conditions, one carload of oranges and one carload of lemons will be shipped weekly to New York. Certain cartons in each refrigerator car will contain fruit deliberately injured and inoculated with spores of blue-green mold fungi in order to make comparisons of variations in treatment.

One-third of these cartons will be treated with the new process, one-third with a chemical recently used and one-third will be untreated.

Farm advisors stationed in New York on a rotation basis will inspect these cartons upon arrival and record the condition of the fruit. Several cartons will be set aside for observation after one week at room temperature and others will be followed through jobber and retail levels.

HOSPITAL AUXILIARY GETS BASIC INDOCTRINATION

New members of Grossmont Hospital Women's Auxiliary were given basic indoctrination at a special meeting held in the hospital's cafeteria recently. Mr. L. M. Feelyon, the hospital's administrator, provided the instruction about the hospital and the codes of ethics governing all who work therein; also, the relationship of the auxiliary to the hospital—facts that every auxiliary member should know. Mrs. Jess Hutchens auxiliary president, covered the set-up of the auxiliary, its aims, ideals and activities — and the obligations of membership.

Basic indoctrination is a "must" for all who wish to work for the hospital, and is desirable for all members. Additional training is provided those volunteering for the various in-hospital ("pink lady") services; hospital aide, gift shop, library, clerical. These programs are in the hands of, respectively, Mmes. L. L. Louis, Von Marshall, Elliott Johnson, and Frank Higgins.

Licenses to Wed Issued to Seven Couples in Area

Marriage licenses have been issued by County Clerk Bud James to two Spring Valley couples and five giving Lemon Grove as the habitat of at least one of the applicants in the period from July 13 to July 20.

Lawrence Elmer Farrell, aged 20, of 2146 Bonita, born in Wyoming, and Alene La Ferne Wilson, age 17, born in Arkansas, 2122 Main Street, both residing in Lemon Grove, on July 13 were issued a license to wed. Both parents of the bride-to-be signed an affidavit of consent to their daughter's marriage.

Patrick James Stevens, 23, of 3675 Myrtle Street, San Diego, and Anna Marie Buckner, 18, of 3676 Helix Street, Spring Valley, were given a license on payment of $2, the usual fee for this document, on July 16.

Duane Wallace Sturges, 30, of 2540 James Circle, San Diego, previously married one time and divorced, and Persis Gene Hurlbut, 25, of 3001 Central Street, Spring Valley, married one time and divorced—maiden name Persis Thorpe, also chose July 16 to get the necessary document.

William Grant Sparks, 21, a member of U. S. Air Force, and Dorothy Gray Harrell, 16, 7566 Mt. Vernon Street, Lemon Grove, were granted a license to wed. Affidavit of consent signed by Dorothy's mother accompanied the application.

Donald Robert Vinson, 25, of 8173 Broadway, and Marilyn Joan Spence, 22, of 3781 El Canto. Both Lemon Grove addresses, were two happy applicants for a license on July 18.

Milbert Luke Kolpacoff, 20, 8254 Lincoln Street, Lemon Grove, and Evelyn Ann Mitchell, 20, 2366 Bayside Lane, San Diego, chose July 19. Affidavit of consent was filed by mother of groom.

Lee Charles Willson, 40, of 4076 Landis Street, San Diego, married one time and divorced, and Betty Ellen Baumgartner, 38, of 2810 Washington Street, Lemon Grove, married one time and divorced, were issued a license to wed on July 20.

Our congratulations and best wishes for many years of wedded bliss is extended to each and everyone of these folks.

Indiana Beauty Visits Kin in Lemon Grove

Miss Indiana, known in her home town of Milroy, Indiana, population 800, located about 40 miles from Indianapolis, as Beverly Mattox, was a visitor in Lemon Grove last week. Beverly accompanied her parents and her two younger sisters. The family came here to visit relatives, a great-aunt, Mrs. Pearl Stenel, and two other great-aunts in the San Diego area: Mrs. Hank Parsons of Pacific Beach and Mrs. Ruby Oliver of Spring Valley, also a great-uncle, Jake L. Ivy, of Bostonia.

Beverly Mattox is 18, a brown-eyed brunette, a co-ed at Indiana University. She is on her way to Long Beach to the Miss Universe contest. She will compete with candidates from all over the world. From her photo, we'd say she has a good chance to win. She was picked at Indianapolis on the basis of beauty, charm, poise and personality. She is 5 feet 4½ inches tall, weighs 116 lbs.

Beverly is a junior at Indiana University, majoring in education. An honor student, she is a member of Delta Delta Delta sorority.

She picked oranges for the first time in her short life in Lemon Grove, and took some along to show the gals back home.—D. H.

THE STORK PARADE

A daughter, Kimberly Bernice, was born to Mr. and Mrs. Gene Marshall of 3719 Bancroft Drive Tuesday, July 10, in the Mercy Hospital.

The Marshalls have two other children, Bruce 4½ and Timothy 19 months. Papa Gene is with Convair.

Congratulations are being extended to Mervin and Mary Perry over at 8564 Greenview Place on the arrival of their second child, a daughter. The little charmer, named Kathy Lynn, arrived at the La Mesa Hospital Friday, July 27, weighing 6 pounds and 12 ounces. The other child is four years old. Papa Mervin is a carpenter. The Perrys formerly lived in Lemon Grove and moved to Spring Valley in June.

WHITHER ARE WE DRIFTING?

The tintype is said to be returning to favor. Nothing short of the return of the bustle could astonish those who believe that there is a complete circuit in the affairs of men.—New York Sun.

'Whit' is Proud of 4-H Kids

Leland H. Whitted, who has been with Mason Feed and Supply Store for nine years and can tell you anything you want to know about feeding chickens or animals—he has taken two prizes from Purina Feed sales contests—is recovering from the county fair.

"Whit," as most of his friends call him, is greatly interested in the 4-H Clubs in Spring Valley and Lemon Grove, and helps the young folks with problems that come up in feeding their "projects." He is a sort of supplementary farm advisor, and is proud of the fine showing the young people made at the fair, and their winning of purple, blue and red ribbons.

Mr. and Mrs. Whitted, who live at 2215 Sweetwater Avenue, came to Spring Valley in May, 1947.

Mrs. Whitted, who had been a beauty shop operator in their former home town, opened the first beauty shop in this area in her home, to accommodate a few customers. The ability she had gained in her work quickly made many friends among the ladies living hereabouts and extending to San Diego and she now has customers living in San Francisco who come down occasionally from the northern city on visits and get Marian to "do their hair" and whatever else the ladies get in beauty shops.

Leland Whitted's business card gives his address as 8280 Imperial Avenue, La Mesa—this is Mason Feed and Supply—Mrs. Whitted's Beauty Shop is 2215 Sweetwater Avenue, Spring Valley, and Lemon Grove does not appear in the picture, but under the new naming of Broadway boundaries, we hope soon to include Mason's Feed and Supply in Lemon Grove. We have never understood why La Mesa claims mail delivery rights on Imperial Avenue. How about it, Senor Faucher?

'Yes' Vote Urged For Proposition 6

Representatives of six large state organizations joined forces recently as a statewide committee for proposition 2, the $100,000,000 state bond issue for school construction on the ballot November 6.

The proposed bill to provide money for loans and grants to help finance construction of classrooms in districts which have bonded themselves to the limit the law will allow and are still unable to pay for badly needed classrooms.

In an authorized statement, the committee declared that:

1—"More than 200,000 California school children are going to school half-time."

2—"There will be a million and a half more pupils in California schools by 1965."

3—"California must build 45,000 classrooms by 1965." That means a 12-room school every day for the next ten years.

4—"By the time money from proposition 2 is on hand, all the funds previously made available will be gone."

$12,000 PORT SURVEY COMPLETED

Dr. George Fox Mott of Washington, D. C., presented a report to the supervisors with more than 130 pages of material telling how San Diego could improve the bay and get some revenue. This report has been in the making for some time, Dr. Mott and Associates having been engaged some months ago at a contract price of $12,000 to learn the facts and make recommendations.

Each supervisor was presented with a copy of the booklet.

We didn't get to see one.

RESOLUTION NO. 6438
A RESOLUTION ESTABLISHING THE TIME OF HEARING OF PETITION AND GIVING NOTICE OF THE PROPOSED ANNEXATION OF AN UNINHABITED AREA KNOWN AS Grossmont Knolls No. 2 TO THE CITY OF LA MESA, A MUNICIPAL CORPORATION

WHEREAS, there has been filed with the City Council of the City of La Mesa, a Municipal Corporation, a written petition signed by the owners of more than one-fourth of the land by area, representing in excess of one-fourth the assessed valuation according to the last equalized rolls in the Assessor's office of San Diego County, of the contiguous uninhabited territory hereinafter more particularly described, requesting that such territory be annexed to the City of La Mesa;

NOW THEREFORE, pursuant to the Annexation of Uninhabited Territory Act of 1939 of the State of California, Title 4, Division 2 Part 2, Chapter 1, Article 5 of the Government Code of the State of California (Sections 35300 through 35325), the City Council of the City of La Mesa, California, thereby resolves as follows:

1. That the contiguous uninhabited area, the subject of such proposed annexation proceedings shall be designated as Grossmont Knolls No. 2
